FRUIT AND
Ornamental Trees.
THE undersigned has now a large and splendid
variety of fruit and ornamental trees, at the
old stand six and a half mile east of Troy, and
one and a half mile east of Moscow mill.
His fruit is varied and of the
MOST CHOICE KIND.
and being acclimated to this soil, the chance for
it living is a hundred per cent greater than that
brought from a distance, and will sell them at
the following prices:
One year old trees 10 cents or \$20 per 1000.
Two year old 12 1/2 cents.
For three year old 15 cents.
His Evergreens
are of the finest and the hardest kinds: such as
the White, Scotch, and Black Austrian Pines,
Norway Spruce, Balsam Fir, and the American
Arbutus. He sells at low prices and those wish-
ing to buy will do well to give him a call. For
further particulars, apply at the Nursery to

LUMBER YARD.
ASA N. OVERALL,
(Formerly R. H. Overall and Brother.)
ST. CHARLES, MO.
WOULD most respectfully inform the citizens
of Troy and of Lincoln county, that he keeps
a fine assortment of
PINE LUMBER,
suitable for house building & carpenters work, also
Shingles, Paling, Laths,
Sash, Doors and Blinds.
Those in want of Lumber would do well to give
me a call, as I can send Lumber (delivered at the
point on the Railroad) at lower figures than the
same article can be bought in St. Louis and
freighted. My customers may rest assured that
any orders they may favor me with, will receive
the attention and promptness, as if they were to
visit me personally.

LATEST FASHIONS DEMAND!
J. W. Bradley's celebrated Patent
DUPLEX ELLIPTIC
(or double Spring)
SKIRT.
The wonderful flexibility and great comfort and
pleasure to any lady wearing the Duplex Elliptic
Skirt will be experienced particularly in all crowded
Assemblies, Opera, Carriages, Railroad Cars,
Church pews, Arm Chairs, for Promenades and
House Dress, as the skirt can be folded when in
use to occupy a small space as easily and conveni-
ently as a silk or muslin dress, an invaluable
quality in ermine, not found in any single
spring skirt.
A lady having enjoyed the pleasure, comfort,
and great convenience of wearing the Duplex Ellip-
tic steel spring skirt for a single day, will never
afterwards willingly dispense with their use—
For children, Misses and young ladies they are
superior to all others.
They will not bend or break like the single
spring, but will preserve their perfect and graceful
shape when three or four ordinary skirts will
have been thrown aside as useless. The hoops are
covered with double and twisted thread, and the
bottom rods are not only double springs, but twice
or thrice covered, preventing them from wear-
ing out when dragging down stairs, &c.
The Duplex Elliptic is a great favorite with all
ladies and is universally recommended by the
Fashion Magazines as the standard skirt of the
fashionable world.
To enjoy the following inestimable advantages
in ermine, rise superior quality, perfect man-
ufacture, styles shape and fine finish, flexibility,
durability, comfort and economy, enquire for J.
W. Bradley's Duplex Elliptic, or Double spring,
and be sure you get the genuine article.
CAUTION—To guard against imposition be
particular to notice that skirts offered as Duplex
have the red ink stamp, viz: J. W. Bradley's
duplex Elliptic steel springs upon the waistband—
none others are genuine. Also notice that every
hoop will admit a pin being passed through the
center, thus revealing the two (or double) springs
braided together therein, which is the secret of
their flexibility and strength, and a combination
not to be found in any other skirt.
For sale in all stores where First class skirts
are sold throughout the United States.

STATIONER'S WAREHOUSE.
J. J. DALY,
Wholesale Stationer, Bookbinder, Print-
er, Blank Book Manufacturer
AND DEALER IN
BOOK BINDER'S MATERIALS,
St. Louis, Mo.,
OUR customers can rely upon obtaining goods
at the lowest possible rates the market will af-
ford; and whilst we shall not be influenced by the
prices (or supposed prices) of other houses in the
trade, we shall, notwithstanding, give our cus-
tomers the benefit of our reductions, made either
at home or abroad, and feel confident we cannot
be undersold, except through the medium of infor-
rior or spurious articles. This result we are en-
abled to obtain by purchasing all our goods for
cash, direct from the manufacturers, and by hav-
ing a confidential agent in New York, whose
knowledge of the markets cannot be excelled.
Our arrangement with the Eastern Paper mills
is such as to enable us to offer paper at a very
small advance on manufacturers prices, and we
know our rates are lower than any other house
in the West.
We keep for the accommodation of our custom-
ers a supply of Websters' Elements, McGuffey's
Electric, Metropolitan and Harnes' Spellers, and
Websters' Spellers and Dictionaries; Webster's Dictio-
naries, McGuffey's Electric (Old and New Series) San-
ders', Metropolitan and Christian Brothers' Read-
ers; Mitchell's, Olney's, Smith's, Colton and
Fitch's and Correll's Geographies; Ray's, Davies' and
Colburn's Arithmetic; Wilson's Quackenbush
and Roberts' Arithmetic; modern Histories—
Smith's and Greene's Grammars, Payson and
Dutton's Spellerian and plain copy books, and
other standard School Books.
We will fill any orders for Types, Printers Ink,
Books, Periodicals, or any other articles which
can be shipped with our goods at the lowest rates
at which they can be procured in the city.
To insure goods being sent correctly, be particu-
larly to description, and designate the route of
shipment preferred. All goods will be packed
with great care, the actual cost of cases and car-
riage only being added to the bill. We do not in-
sure goods unless specially directed to do so.
